EXPERIENCE

CHG Healthcare - Midvale, UT - Software Engineer II

AUGUST 2018 - SEPTEMBER 2020

- Created a CI/CD pipeline in Jenkins deploying to Heroku
- Worked with UX and Product to implement our company's first design system by creating a mobile-first, accessible component library from scratch
- Improved testing quality and standards in existing applications by introducing unit, integration, and end-to-end testing and increasing code coverage
- Mentored Junior developers and introduced a training repository in GitHub
- Embedded a Vue/Node.js application in a legacy Salesforce Org to replace an inaccurate scheduling tool
- Held a weekly Front End Community of Practice to train on front end topics such as dynamic imports, tree shaking, Webpack optimization, accessibility, mobile-first development

Technologies: Vue, SASS, Postcss, Vuex, AWS, Heroku, Node, Express, Okta, Webpack, Nuxt, Jest, Jasmine, WebdriverIO, BrowserStack, Kafka, PostgreSQL

Willis Towers Watson - Salt Lake City, UT - *Software Developer and SCRUM Master*

JUNE 2015 - AUGUST 2018

- Re-wrote legacy application that onboards insurance agents by tracking their progress on certifications, licensure, and appointments using ReactJS, Webpack, and ES6
- Added several new features to many internal and external products and tools
- Provided maintenance and sought out improvements to increase the stability and functionality of legacy projects
- Implemented unit, integration, and end-to-end tests to increase the quality and confidence in legacy products
- Facilitated discussion amongst team members and tasks to push towards iterative development, best practices, continuous delivery, continuous integration, and build pipeline improvements
- Organized sprint review, planning, and retrospective meetings as SCRUM Master

Technologies: C#, ASP.NET Core, FubuMvc, AngularJS, ReactJS, Webpack, XUnit, NSubstitute, Moq, NUnit, Shouldly, Jest, Enzyme, Karma, Mocha, Chai, TeamCity, Octopus, GitHub, Bootstrap, RavenDB, SQL, PetaPoco, NHibernate, Rhino.ETL, Entity Framework, SQL, LESS, SASS

Pluralsight - Farmington, UT - *Student Developer*

JANUARY 2015 - JUNE 2015

- Created and managed data persistence using Cassandra
- Implemented automated testing using TDD
- Created and managed a tool for Pluralsight transcriptionists to streamline and automate their workflow
- Used Bootstrap and CSS to design look and feel of the website

Technologies: LEAN, WebAPI, Cassandra, AngularJS, CSS, HTML, C#, .NET, RabbitMQ

International Document Services - Draper, UT - *Student Developer*

SEPTEMBER 2014 - DECEMBER 2014

- Applied a new look and feel to IDS' company website using CSS3 and HTML5, providing users with a cleaner, more efficient experience
- Made web pages dynamic using Javascript, JQuery, and C#

Technologies: C#, ASP.NET, Javascript, CSS, JQuery

EDUCATION

Neumont University, Salt Lake City, UT

Bachelor of Science in Computer Science

Graduated cum laude with a GPA of 3.54 out of a possible 4.0.

AWARDS

Quality and Professionalism Core Values Award

The Core Values Award is an award granted to CHG employees who have been nominated by their peers for living CHG Healthcare's core values. Core Values Awards are granted monthly and quarterly. I have won Core Values Awards monthly and quarterly for the Quality and Professionalism core value.

Quality and Professionalism Excellence Award

The Excellence Award is an award granted to CHG employees who have been nominated by their peers for living CHG Healthcare's core values. Once peer-nominated, employees must be selected by a group of managers to win the Excellence Award. Excellence Awards are granted monthly and quarterly. I have won monthly and quarterly Excellence Awards for the Quality and Professionalism core value.

Neumont Merit Scholarship

The Neumont Merit Scholarship is awarded to students who maintained good grades in high school and did well on their ACT.

President's List

While attending Neumont University, I was on the President's List many times. This list is calculated once per quarter and contains students who maintain a high A average during that time frame.

Dean's List

While attending Neumont University, I was on the Dean's List many times. This list is calculated once per quarter and contains students who maintain A-B average during that time frame.

Featured Student

Students who do well through their time at Neumont University have the opportunity to be featured on their website. In 2015, I was featured on Neumont's website for maintaining good grades, presenting a good Capstone project, and proving my skills as a Student Developer at local Utah companies.
